OUR STORY

The story began in Stockholm back in 2005, when our founder Linda Sätterström had her first daughter, Elodie. Well-designed clothing for babies and toddlers where available everywhere back then. But Linda couldn't find designed alternatives for many of the other products that you need for life with a baby. So she developed her first product, a pacifier clip. One that was beautiful and that would match her daughter's outfit. She began selling the clips and the idea really struck a note with other parents. First in Stockholm, then Sweden, and finally all over the world. The pacifier clip remains Elodie's flagship product and one of our best sellers.

What began as a neat little DIY-project has now grown to become a well-known international brand with head office in Stockholm and a fantastic group of employees that share Linda's passion for design and functionality. Together they have created a wide range of products for babies and toddlers, ranging from pacifiers and bibs to strollers and stroller accessories; products that make life with children even more beautiful.

With Love,
Linda Sätterström

Linda Sätterström

TAKING RESPONSIBILITY FOR OUR CHILDREN'S FUTURE

At Elodie we recognize the contradiction between an industry driven by fast consumption, and the concept of sustainability. So, instead of identifying as a sustainable brand, we want to show you how we aim at becoming the most responsible version of ourselves. Our goal is that by 2026, every product in our assortment will be produced according to one or several of our four Production Principles.

1. Recycled materials

Whether it is Polyester from PET-bottles or recycled cotton, every material that is re-used rather than produced is a win for the environment.

2. Made to last

We develop all our products from scratch, which means we can control every single quality aspect of them in order to increase their lifetime as much as possible. While some products, like a pacifier, are inherently impossible to make last, many others can be used for more than one child. To qualify for this principle, a product must pass the test of being used for a minimum of three children without losing function or attractiveness.

3. Plant-based materials

Traditional plastic is petroleum-based and as such not a renewable resource. By mixing in plant-based fibers we can create materials that requires less limited resources and are much more bio-degradable than ordinary plastic.

4. Upcycling

Through creative design and smart ideas we make products that can be used for more than their original purpose. A diaper bag can and should be more than a diaper bag, and a Baby Gym can be converted to a clothing rack. In smart and fun ways, we help our customers reduce their overall consumption by upcycling and re-using our products.

BACK TO PRE-SCHOOL

Bring on the excitement of going back to School! Elodie has throughout the years provided pre-schoolers with premium quality equipment for these action-packed days. We are now introducing Backpack MIDI – a slightly larger version of our immensely popular Backpack MINI. The new larger version is suitable for children ages three and up.

Another new addition is the wonderful Lunch and Snack Box that fit perfectly in the BackPacks and have matching motifs. Together with the Stainless Steel Bottles and lovely Light Beanies, you can create a stylish kit that makes going back to school a pure pleasure.

DROP 2
THE FAIRYTALE FOREST

Welcome to our friendly forest, where the streams are lined with silver, the acorns grow tall, and all the little animals have stories to tell. This is where we found our inspiration, among the flowing ferns and moss-covered settings. At the edge of the wood stands a little lodge, where this collection was created. You'll find a stunning shade of Jade and a touch of lavender

lilac. We've given it a light silver sheen and sprinkled it with delightful little dots. Our bunny friend Beatrice and her animal companions have found their perfect place among the designs and prints as well. This season is filled with pieces that can spark your imagination and are anything but ordinary. Just like a fairytale.

Elodie's flagship product is the only stylish way to make sure your baby has a clean pacifier. Sweet or edgy, casual or dressy, the choice is yours. The elastic silicone ring can attach to almost any kind of pacifier on the market, and the nickel free metallic clip to any piece of clothing. Don't forget to choose a matching pacifier from Elodie Details to complete the outfit.

RECYCLED
MATERIALS

A faithful helper and a cute accessory in one. This pacifier clip has a wooden clip for extra durability. The elastic ring can attach to almost any kind of pacifier, and the clip to any piece of clothing. The pacifier clip is Elodie's flagship product, as it was the first product that Linda Sätterström, Founder, designed back in 2005. To this date Elodie Details continue to make improvements and continuously adding new designs to the assortment.

DRY BIBS

Keeping your little one dry at all times can be a challenge. These fabulous fabrics can do just that, and do it with grace! No more spit or dribble on that carefully selected outfit. They feature double layers of OEKO-TEX® certified and waterproof soft cotton. Two press studs in the neck create two different sizes. Easy to clean, easy to fasten, hard to be without.

Size: One Size, suitable from newborn
Material: 95% OEKO-TEX® cotton, 5% Elastan
Dry Bibs NEWS: Organic cotton
Care: 40° C machine wash
Pcs/Pack: 10

BAMBOO MUSLIN BLANKETS

A soft and lightweight blanket that is wonderfully smooth on your baby’s sensitive skin. Bamboo fibres has many great qualities, such as being very moisture absorbing and breathable, as well as having great temperature control capabilities. The double layers of classic Muslin weave enhance these abilities further and creates a blanket that gets softer with each wash. This versatile blanket can also be used as nursing cover, a portable crib sheet and more.

Size: 80 x 80 cm
Material: 50% Bamboo, 50% OEKO-TEX® certified Cotton
Material from SS23 (NEW): 70% Bamboo, 30% OEKO-TEX® certified Cotton
Care: 30° C gentle wash
Pcs/Pack: 3

CRINKLED BLANKETS

A lovely and luxurious blanket made with 6 layers of crinkled cotton that creates a warming yet airy feel. Young children will love the lightly structured surface as it gives them tactile stimulation. A versatile blanket that just keeps getting softer with each wash. Use in the crib, the cot, the stroller, or where and when ever something snug and secure is needed.

Size: 120x120 cm
Material: 100% Cotton, OEKO-TEX® certified Cotton
Care: 30° C machine wash
Pcs/Pack: 3

SOFT COTTON BLANKETS

This soft blanket is made with double layers of crinkled cotton that creates a warming yet airy feel. Young children will love the lightly structured surface as it gives them tactile stimulation. The frayed edges are another popular feature for little baby fingers to explore. A versatile blanket that just keeps getting softer with each wash. Use in the crib, the cot, the stroller, or where and when ever something snug and secure is needed.

Size: 75x100 cm
Material: 100% Cotton
Care: 40° C machine wash
Pcs/Pack: 3

POINTELLE BLANKETS

The pointelle knit that embellishes this large blanket creates a lovely, lacy look and gives it a comfortable, light feeling. It is perfectly sized to swaddle around little bodies, for use in the stroller, cuddling in the crib, or whenever something warming yet soft and airy is needed.

Size: 75x100 cm
Material: Acrylic 100%
Care: 30° C machine wash
Pcs/Pack: 3

NEW

PEARL VELVET BLANKETS

This high-quality blanket made from a fantastic material called Pearl Velvet. It’s unique hand-feeling combines fluffy teddy bear and smooth velvet, but unlike those materials Pearl Velvet has the moisture absorbing abilities needed in baby blankets. With its warming double layers it is perfectly suited in the stroller, in the crib or whenever something warm, cuddly and practical is needed.

Size: 75 x 100 cm
Material: 100% Polyester
Care: 40°C machine wash, tumble dry

CELLULAR BLANKETS

Cellular blankets are ideal for tiny new family members. The small holes in the fabric provide both safety features and make it soft and easy to drape around little bodies. The holes allow for a comfortable flow of air. Due to the breathability of the material, these blankets are also easy to layer and combine with other blankets when needed, depending on the surrounding temperature. It can also work perfectly as a sun or insect screen on the stroller as the holes allow for air circulation.

HOUSE OF ELODIE

Baby gym, Snuggle house and Clothing rack

This unique multi-use product will be your haven when trying to figure out how to buy less stuff - while still making sure your child has everything that he or she needs. It is made for upcycling. Depending on how you choose to combine the wood frame base (Baby Gym) you will either get a Baby gym, Snuggle house or Clothing rack! This way, House of Elodie will be there to serve your child for years: from being a newborn discovering the world bit by bit, to becoming a baby finding the joy of play and further on growing up to a tiny version of an adult hanging up their clothes.

UPCYCLING

BABY GYM (BASE)

A steady wooden base that in combination with other parts of House of Elodie, will serve as either a Baby gym, a Snuggle house or a Clothing rack.

Size: Height: 49 cm / Width: 55 cm / Depth: 45 cm
Weight: 1,4 kg
Material: Wood
Safety Standard: EN-71
Extra: Comes with a construction manual
Pcs/Pack: 1

PORTABLE BABY NESTS

A portable baby nest is perfect for the first few months of bonding between a new-born and its new family. The nest creates a cosy and comfortable environment that you easily and safely move from room to room while at home or on your travels - keeping your little one close at all times. Made with a machine washable outer fabric in 100% cotton. A soft foam mattress is fitted on top of a sturdy light-weight plate, and combined with the extra-long straps this makes it very easy to move smoothly and safely from place to place.

Tested according to EN1466:2014/AC:2015, fulfilling the European safety standards for babylifts.
Size: Length 78cm, Width 48 cm, height 16 cm
Material: Shell: 100% cotton, Fill: 100% polyester, EN-1466; Oeko-Tex 100
Care: Machine wash

WINTER BEANIES

A warming Winter Beanie striped with Elodie’s signature metallic band. Made in part with natural Tencel™ microfibers that provide excellent moisture absorbing qualities and breathability. The double layered Tencel™ and Cotton blend is luxuriously soft, and its elasticity helps maintain the right shape for a long time. An extra layer of fabric over the ears makes this beanie well suited to keep your baby or toddler comfortable even on cold winter days.

Size: Four sizes, 0-6m, 6-12m, 1-2y, 2-3y, 3-100y
Material: NEW: 46% Tencel (older beanies 46% Modal), 46% Cotton, 8% Spandex.
Care: 40° C machine wash

BABY BIBS

Elodie's Baby Bibs are a favourite with many parents. With their OEKO-TEX® certified quick-dry material, perfectly smooth fit and attention to detail it's no wonder. Just rinse or wipe it clean after each use and it dries up in minutes. The wide fit covers both shoulders and chest, and the flexible front pocket catches all spills or crumbs, resulting in less floor

scrubbing. Attaches in the neck with adjustable closing. Environmentally friendly and full off functions!
Size: Suitable from 3 months
Material: PU-treated Polyester, 100% free from PVC and Phtalates, Care: 40°C machine wash, Pcs/Pack: 10

LONG SLEEVED BIBS

A very handy everyday help for parents who aren’t that fond of washing clothes. A bib with sleeves to cover shoulders and arms, that you simply rinse or wipe clean after each use. Its non-absorbing material dries off in just minutes. The coating is PVC free and environmentally friendly. Taking it on and off couldn’t be simpler thanks to adjustable closing. Use it at dinner, lunch, breakfast or when creative play and projects require a bit of clothes protecting.

Size: Suitable for ages 1 to 3 years.
Material: PU-treated Polyester, 100% free from PVC and phtalates.
Care: 40°C machine wash

SILICONE PLATE

This beautiful set for first-time eaters is made with BPA-free, food grade silicone. It will last for years even if it gets dropped or even thrown to the floor every day. The chunky handles on the knife and fork give tiny hands a good grip, and the raised edge design of the plate encourages self-feeding from your toddler. The smart suction ring lets the bowl sticks to any flat surface.

Cutlery: Stainless Steele 50% Silicone 50% Body: Silicone 100%, EU Regulation 1935/2004,SS-EN 14372:2004, Pcs/Pack: 2

WATER BOTTLES

This s a light-weight water bottle for active kids. It’s made from food grade stainless steel that is perfect for little adventurers as it won’t chip, dent, or break even during the wildest of play. It’s easy to use and the foldable straw cap makes it spill-free and keeps it clean and hygienic for longer. Choosing a stainless-steel bottle over plastic alternatives means you are

guaranteed to have something that is 100% free from BPA, phthalates, or other harmful substances, and it helps you reduce your everyday use of unsustainable plastic. The bottle can hold up to 350 ml.

CARSEAT FOOTMUFFS

Cold climate traveling made easy

Keep your little one protected from rain, wind, and cold weather with this cosy and smart product. Elodie’s car seat footmuffs have universal fit and enables cold weather travel without the need for bulky clothing. The padded outer fabric and luxurious pile lining keeps your baby warm even in the coldest of weathers.

The smooth, high-quality zippers open at both ends to make it easy to get your child in and out of the car seat, and the fold down front flap offers instant temperature control. The large hood shields against winds and maintains warmth. When not needed the hood can be opened up and

folded away, using a built-in zipper. The footmuff is completely machine washable and easy to keep fresh and clean.

Size: One size, suitable from 0 to 6 months
Material: 100% Polyester, Recycled padding
Care: 40° C machine wash, do not tumble dry

Size: Measures 19 x 29 x 12 cm
Material: Various, OEKO-TEX® certified
Pcs/Pack: 2

UPCYCLING

CHANGING BAGS

Elodie's Changing Bags are designed to be multifunctional. When the diaper-changing-days are over, you can use our bags to the gym, the office, as a weekend-bag or as your favourite one-and-only bag. This way you can significantly decrease its environmental impact through upcycling.

Design and Function, this is more than just a diaper bag. With the look and feel of an exclusive handbag, we believe you will use it on all occasions. When caring for your little treasure or when caring for yourself. Either way you will love the premium feel, the high quality and all the nice features we've added. There are pockets designated for diapers,

wet tissues, keys, mobile phone and even a thermo pocket for keeping your baby's formula warm or your own drink cold. A soft changing mat is included with every changing bag, as well as straps that allow you to hang it from the stroller's handle bars.

Size: Various, see website for details

BACKPACK MINI & DRAWING TUBE

For toddlers and kids on the go. Perfect for those first little picnics, or for carrying important snuggles to grandma's house. But most importantly, your next adventure will be in style! The BackPack MINI includes a seat cushion in a thermo material to keep your little one warm while resting and a thermo-pocket on the side to keep bottle warm, cold and upright. The easy-release magnetic locks keep the padded straps from sliding of small shoulders.

Size: Height 28cm, Width 21 cm, Volume 7L
 Material: Textile back pack - Outer fabric: 100% Polyester, lining: 80% Polyester, 20% cotton and vegan leather details
 Extra: Seat Cushion included
 Pcs/Pack: 2

BACKPACK MIDI

Our larger version of the BackPack MINI is perfect for kids aged three and up. It's great for school, sleepovers, picnics, and outdoor adventures. The double zippers and magnetic chest strap lock give your little one a sense of independence. It's both stylish and functional.

Size: Height: 37 cm Width: 26 cm Volume: 9L
 Material: Textile back pack - Outer fabric: 100% Polyester, lining: 80% Polyester, 20% cotton and vegan leather details
 Extra: Seat Cushion included

ELODIE MONDO STROLLER

Designed For Your Journey

TRAVEL SIZED

The MONDO has been specifically developed for families on the go. It folds down to a tiny size of 54x42x18 cm that lets you stow it easily in your car, on the train or even in the overhead compartment of most airlines. Imagine bringing your own stroller all the way to the check-in gate when flying.

SMALL & STURDY

Despite being compact and at only 6,7 kg really lightweight, the MONDO is impressively sturdy and robust. It is approved for use by children weighing up to 22 kg.

FULL SLEEPING POSITION

Created for comfort and extended periods of use when out and about, we've made sure the napping possibilities are optimal. The backrest folds down to full sleeping position and the footrest can be locked in an upright position, creating a comfortable sleeping position for your child.

PAPARAZZI CANOPY

The Canopy on the MONDO is something special. Opening a zipper allows you to extend it much further down in order to shield your kid from sunlight or distractions, hence the name "Paparazzi canopy". It has UPF 50+ sun protection and a closeable peekaboo-window on top so that you can check in your child at any time.

STOW & GO BACKPACK

The Stow & Go Backpack comes free with every MONDO. It fits perfectly in the basket beneath the seat. When it's time to fold your stroller into travel size, you simply zip up the storage basket and it becomes a backpack in seconds. Freeing up your hands to lift up your kid while stowing away or carrying the stroller. As a bonus, it neatly attaches to cabin sized luggage.

MACHINE WASHABLE

Keeping the MONDO clean is easy as all fabrics are removable and machine washable. Use the machine's gentle program at 30 degrees and allow the fabric to self-dry before re-attaching it to the frame of the stroller.

RESPONSIBLE

The fabrics are a high-quality polyester weave that is produced using 100% recycled PET-bottles. The Stroller itself is produced with carefully selected materials to ensure as long a life- expectancy as possible. It is regularly tested to ensure it complies with the high safety Standards of the European regulation EN-1888.

CARRY COT

With the Elodie Mondo Carry Cot your Elodie Mondo Stroller becomes your one and only! The Carry Cot is an infant bassinet that you attach to the frame of the stroller with the included adapters to create a safe and snug place to rest for your new-born. It is lined with a soft and comfortable foam mattress with a removable and washable cover. The large canopy has UV 50+ sun protection and features a built-in air vent to increase air flow on warm days. The lid is equipped with a smart wind guard that you can fold up as protection when bad weather calls for it. The Carry Cot is suitable from new-born and up to around 6 months or 9

kg. At that time, you switch back to the Elodie Mondo seat, with no need to invest in an all new stroller.

Size: Length 80 cm, Width 36 cm, height (when folded) 21 cm
