# THIS IS ELODIE

Elodie is a Swedish design brand founded by Linda Sätterström in Stockholm 2005, shortly after her daughter Elodie was born. The idea was to develop everyday baby products with design and functionality beautifully combined. Linda’s DIY-project has since then grown into a creative brand with a wide range of innovative baby products that can be found all over the world.

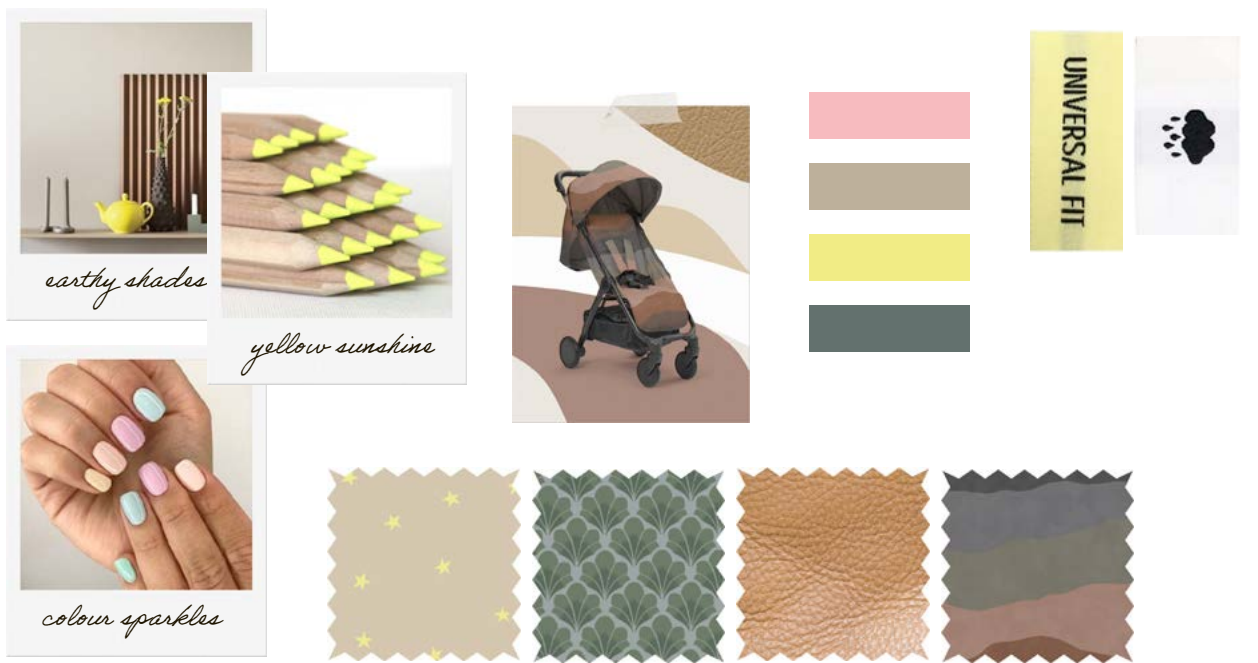

Elodie’s ambition is to make life with children even more beautiful.

# ELODIE MONDO CONCEPT COLLECTION

Introducing the perfect way to make Elodie Mondo Stroller your one and only – The Elodie Mondo Carry Cot. A beautiful Baby Bassinet that lets your new-born enjoy the smooth experience of the Mondo Stroller before switching up to the seat. With it comes a new line of strollers and accessories in earthy shades with sparkles of Yellow Sunshine mixed in, and a caramel, textured vegan leather that really lets you feel the grain.

# WELCOME TO THE WORLD

A collection celebrating the arrival of new life, with several novel products that can make the first months of parenthood even more beautiful. There are cosy Baby Nests, Glass Feeding Bottles, Teethers with wood detailing, and other pretty products for expecting parents and new-born babies to fall in love with. All designed in timeless, tonal, and tranquil shades that create a harmonic surrounding in your new-born's little nest.

# POOLSIDE PLAYTIME

With this release Elodie goes Cuckoo for Colours and invite you to join us by the pool for a nice cooling soda pop. Inspired by festive Flamingos and Lemon Drops, this collection features a splash of vibrant hues that will put smiles on sun-freckled faces. We extend our range of snuggly towels with a luxurious Bathrobe and a beautiful little Poncho in happy prints and colours. You'll need a smart Bib to catch all that melting ice cream and of course – every active kid's favourite Sun Hat. Get dry, get cosy and stay shady with Elodie.

# TIMELESS PRODUCTS

These timeless classics are a selection from our assortment that never go out of style. What characterizes them are the modern and clean design and well-chosen colour shades that fit any home, style or season. They are easy to match and widely popular. We carry these iconic styles all-year-around.

The timeless products are always available for order. For all Timeless products, look for the word "Timeless" underneath the product picture on the following pages.

# FULL ASSORTMENT

The following pages of this catalogue will present the entire SS22 assortment, one product group at a time, including the new Spring/Summer collection together with carryovers and timeless products.

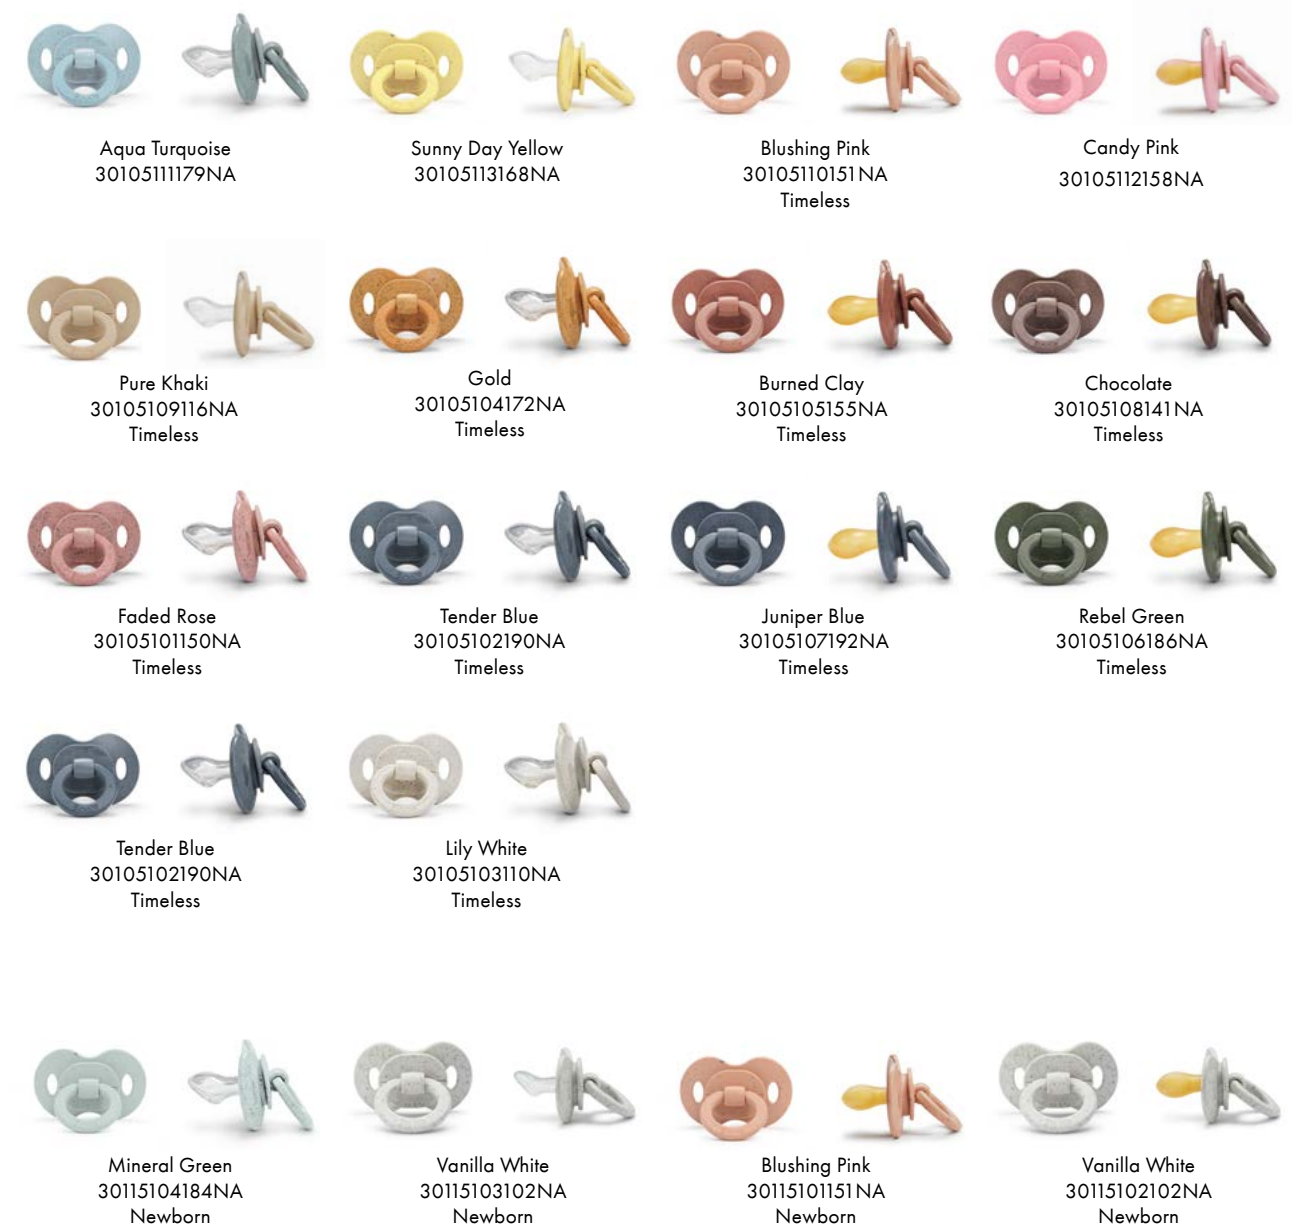

## WOODEN PACIFIER CLIPS

A faithful helper and a cute accessory in one. This pacifier clip has a wooden clip for extra durability. The elastic ring can attach to almost any kind of pacifier, and the clip to any piece of clothing.

The pacifier clip is Elodie's flagship product, as it was the first product that Linda Sätterström, Founder, designed back in 2005. To this date Elodie Details continue to make improvements and continuously adding new designs to the assortment.

## BAMBOO MUSLIN BLANKETS

A soft and lightweight blanket that is wonderfully smooth on your baby's sensitive skin. Bamboo fibres has many great qualities, such as being very moisture absorbing and breathable, as well as having great temperature control capabilities. The double layers of classic Muslin weave enhance these abilities further and creates a blanket that gets softer with each wash. This versatile blanket can also be used as nursing cover, a portable crib sheet and more.

## SOFT COTTON BLANKETS

This soft blanket is made with double layers of crinkled cotton that creates a warming yet airy feel. Young children will love the lightly structured surface as it gives them tactile stimulation. The frayed edges are another popular feature for little baby fingers to explore. A versatile blanket that just keeps getting softer with each wash. Use in the crib, the cot, the stroller, or where and when ever something snug and secure is needed.

Size: 75x100 cm  
Material: 100% Cotton  
Care: 40°C machine wash  
Pcs/Pack: 3

## CRINCLED BLANKET

A lovely and luxurious blanket made with 6 layers of crinkled cotton that creates a warming yet airy feel. Young children will love the lightly structured surface as it gives them tactile stimulation. A versatile blanket that just keeps getting softer with each wash. Use in the crib, the cot, the stroller, or where and when ever something snug and secure is needed.

Size: 120x120 cm  
Material: 100% Cotton muslin weave  
Care: 30°C machine wash

## CELLULAR BLANKETS

Cellular blankets are ideal for tiny new family members. The small holes in the fabric provide both safety features and make it soft and easy to drape around little bodies. The holes allow for a comfortable flow of air. Due to the breathability of the material, these blankets are also easy to layer and combine with other blankets when needed, depending on the surrounding temperature. It can also work perfectly as a sun or insect screen on the stroller as the holes allow for air circulation.

## CARRY COT

With the Elodie Mondo Carry Cot your Elodie Mondo Stroller becomes your one and only! The Carry Cot is an infant bassinet that you attach to the frame of the stroller with the included adapters to create a safe and snug place to rest for your new-born. It is lined with a soft and comfortable foam mattress with a removable and washable cover. The large canopy has UV 50+ sun protection and features a built-in air vent to increase air flow on warm days. The lid is equipped with a smart wind guard that you can fold up as protection when bad weather calls for it.  
The Carry Cot is suitable from new-born and up to around 6 months or 9 kg. At that time, you switch back to the Elodie Mondo seat, with no need to invest in an all new stroller.

## RAIN COVERS

Imagine the feeling of being happy when it rains. Your pram is suddenly so much prettier! These Rain covers fit a majority of prams, buggies and pushchairs on the market and are perfect for quickly and easily protecting from sudden changes in the weather. It has a built-in storage pocket and folds down small enough that you can always carry it with you. There is even a "storm window" that folds down over the opening to protect your child in windy conditions, while still maintaining visibility. A great way to stay warm and dry when the weather gets worse.

Smart detachable front converts footmuff to seat cushion

## CONVERTIBLE FOOTMUFFS

Transforms to Seat Cushion for year-round use

This is your new best friend for the stroller, pushchair, or pram. A smart 2-in-1 product for year-round use. At the base is a good looking and well fitted stroller cushion that makes the ride wonderfully comfortable. But in less than 10 second you can zip on the lid and create a footmuff that is protective, warming, and cosy. Perfect when daytime is hot, but the night gets colder, or when the weather is unpredictable. The lid is lined with a soft cotton jersey that feels smooth against the skin and makes outside napping easy as a breeze. The zippers are premium quality and very easy to operate. Look for the many other matching stroller accessories in Elodie's assortment to create a personal, practical, and pretty stroller experience for you and your child.

## SILICONE BOTTLE TEATS 0M+ & 6M+

These premium silicon suction teats are fully compatible with Elodie's feeding bottles and are suitable for babies older than 6 months. The anti-colic vent in the teat allows your baby to feed continuously without taking in air bubbles or having to gasp for air between latches. The spiral shape inside the teat prevents teat collapse for uninterrupted comfortable feeding.

## GLASS FEEDING BOTTLE

Elodie's glass feeding bottles are made from temperature-resistant borosilicate glass with a food-grade silicone casing. The material makes them lightweight, durable, and scratch-resistant. The glass is naturally free from any harmful substances and the bottle can withstand temperatures from freezing to sterilization in boiling water. The dustproof cap prevents any airborne contamination of the teat, and the wide neck design makes the bottle very easy to clean.

The feeding bottle is delivered with a food-grade silicon suction teat suitable for babies between 0 and 6 months. The anti-colic valve in the teat allows your baby to feed continuously without taking in air bubbles or having to gasp for air between latches. The spiral shape inside the teat prevents teat collapse for uninterrupted comfortable feeding. Replacement teats and larger teats for children older than 6 months are available separately.

Size: Height 20 cm, diameter 6,5 cm

## ENAMEL DINNER SET

Elodie's Enamel Dinner Set for our little ones is a modern interpretation of a timeless classic. Enamelware has a distinctive look and feel and has been appreciated for centuries for its durability and safety. Plastic free, dishwasher safe and available in many beautiful colours that won't fade.

## SILICONE BOWL SET

This beautiful bowl for first-time eaters is made with BPA-free, food grade silicone. The material lets you heat up food directly in the bowl and is virtually unbreakable. It will last for years even if it gets dropped or even thrown to the floor every day. It will not chip, crack, dent or break.

The chunky and rounded spoon in genuine wood gives tiny hands a good grip, and the rounded edge design of the bowl encourages self-feeding from your toddler by making it easy to scoop up the food. The smart suction ring lets the bowl sticks to any flat surface, giving you less floor scrubbing as a bonus. Dishwasher and microwave safe.

Tested according to EN14372, fulfilling the European safety standard for feeding utensils.

Size: Height 9 cm, diameter 12 cm. Spoon is 14,5 cm long  
Material: 100% Silicone. Spoon: Wood and silicone
